SHIPPING & HANDLING

TOTAL DUE[illegible]

The CCS crew knows what's up, what's new, and what's cool. Any questions? Fire away.

DELIVERY

CCS delivers by UPS where available. International and APO/FPO deliveries are made by US Postal Service. If you need it tomorrow, we can do that, too. But it costs a little more: see the chart on the order form. If there are any delays or problems, we'll let you know. Parts of your order may be shipped separately depending on our stock availability.

GRAPHICS AND DIMENSIONS

Pros often come out with new deck graphics or change the dimensions of their deck. If we don't have the graphic you want, because we are stocking a newer one, it is only in order to get you the newest product available. If deck dimensions change slightly (under 1/2") then we will send you the new shape, but if the shape changes drastically we will inform you of the change. And just to keep things interesting, the colors of some graphics will vary from one deck to another.

SIZES AND COLORS

Everyone has their own idea of what XL really is. But most skate clothes are pretty big. A good rule of thumb is that bigger is better. Solid colored clothing comes in an assortment of colors, so we let you pick. Piped or striped items may be different than pictured. If so, we try to pick a good one for you.

USING THE ORDER FORM TO ORDER COMPLETES

Write down your choice of deck, trucks & wheels and then the **complete price only** which also includes grip tape, bearings and hardware.

—Money order made payable to CCS.

—Personal check made payable to CCS.

—International orders (including Canada) must be prepaid with credit card only.

3. Where do you want it sent? Complete address including: Street Number, Apartment Number (if any), City, State, Zip and daytime phone number.

Europe: call for details. Parcel Post: Shipped by Priority Air Mail. Ground rates available on request. All orders shipped outside the continental U.S. are charged according to current international rates via U.S. Mail. All continental U.S. shipments are by UPS.
